The date of the marriage of Miss Ruth Bauer, the daughter of Mr. and Mrs. J. G. Bauer, and Dr. Charles W. Zuger, of Green Bend, is set for Wednesday, November 1. The wedding will take place at the Bauer home, 222 Topeka avenue.

Miss Gertrude Bauer, a sister of the bride-to-be, will give a dinner party for her next Wednesday.

Miss Albert Patterson entertained her bride club and a few other guests at bridge this afternoon at the Country club, in compliance with the plan of Mrs. Bramble, of Champaign, Ill., and Mrs. Rosa Campbell, of Montreal, Canada. Mrs. Bramble and Mrs. Campbell are in Topeka with their husbands who are in the city on business affairs. Since they have been in Topeka they have been guests occasionally at the A. E. Patten home.

Miss Mary MacLennan and Miss Henrietta Alexander gave a bridge party this afternoon at Miss MacLennan's home, 1913 Topeka avenue, for Miss Ruth Bauer, whose marriage to Dr. Charles W. Zuger will take place November 1. The guests were limited to Miss Bauer's close friends. Out of town guests were Mrs. Frank E. Davis of Kansas City, who is visiting her parents, Mr. and Mrs. C. L. Dolman; Mrs. Grove Dolman of Ray, Arizona, who is visiting her parents, Mr. and Mrs. Frank Willard; and Miss Helen Hackney of Atchison, the house guest of Miss MacLennan and Miss Alexander.

The Ceramic Art club will meet Friday afternoon at Miss Marie Witter's studio. It will be a special meeting of the club to begin their work in the study of interior decoration, under the direction of Miss Frances Linday, of the high school.

The annual party of the U and I club, which is always regarded as one of the most fashionable and diverting affairs of the social season, will be arranged soon. The kind of party at which the club will entertain this season will be decided upon soon, and arrangements will then be made. The club will have a special meeting Friday morning at 10 o'clock at the National hotel. Some plans for the yearly party will then be definitely decided upon.

The Varsity club is to be an exclusive organization this year, an inter-fraternity club. It has formerly included some of the high school students of the upper classes, and has had in its membership a number of "barbs" from the college. The new plan is to ask to membership almost entirely college men who are affiliated with one of the fraternities, with a few exceptions.

The annual President's Day luncheon was given today by the Woman's club at the Throop hotel. Preceding the luncheon, a reception meeting half an hour, was held in the hotel parlors.

The arrangements for the luncheon and reception were in charge of the social department of the club, directed by the social committee, Mrs. George Parkhurst, Mrs. Arthur Capper and Mrs. W. A. Johnston.

The program was in charge of the president, Mrs. S. S. Beggs. The general subject to be emphasized in the addresses was "The Objects of the Organization." Mrs. Beggs named these objects as: Friendship, Culture, Philanthropy, and a Club Home. Mrs. W. A. Johnston spoke from the subject, "Culture." Mrs. D. L. McEachron's was on the club's philanthropy and Mrs. Albrecht Marburg talked about the club home.

Grange Fair Me Is Stirred—Kids Take Interest.

Postoffice to Mark a New Era in Prosperity.

"Punkins bath the farmer brought, His wife, her finest jelly. Kids has allus for 'em sough, E'en at risk o' pain in 'em stomach."

"Yep, Henry, the Indian Creek Grange fair is on. I bet me ma's chocolate cake 'eal' yours."

"Aw, what yer givin' us? My sis can patch my pants better'n yours can, you bet. She's gonna win the prize in sewin'."

"Huh, that don't show nothin'. Nuh, uh. I betchu when I'm growed up I'll be president quikern' you. Guess that'll hold 'er fer awhile."

Rivalry, even among the youngsters, is keen at the fair. As usual, it requires the judges to decide the winners—a task not always easy. The cattle will be judged today and Friday the horses. Besides the live stock shows, there will be exhibitions of products of men, women and children. The boys have taken a lot of interest in the corn growing contest.

Last year 20 attended the fair. The good weather now prevailing forecasts fully that many for this one. All the displays, with the exception of garden products, are above par in quality.

Ready Next Spring. The site for the new postoffice building has been cleared of the houses that have stood there for many years and now only two cellars, fenced in, remain with some outlying rubbish. A government agent who recently examined the site said that work on the new structure would begin in the spring.

When this improvement is finished it will mark a new era in North Topeka prosperity. With the new fire station on one side of the "nine hundred" block and the new postoffice opposite, this block will be the center of North Side trade, and one of the best business blocks in the ward. It is the section out of which branch four is leading to the richest country districts.

Waychoff-Hawes. The marriage of Miss Frances Waychoff and Mr. Stanley Hawes was solemnized Wednesday afternoon at 3 o'clock at the home of Mrs. Hicks of the Second Presbyterian church, in the home of the pastor. The marriage was a surprise to a great many of the couple's friends. The bride has been employed three years in the Snediker clothing store.

Missionary Society Elects. The Ladies' Missionary society of the Second Presbyterian church met in the home of Mrs. Charles Suit Wednesday afternoon for the purpose of reorganization. Mrs. Charles Suit was elected president; Mrs. H. C. Marrow was elected secretary; Mrs. C. M. Marrow was appointed chairman of the apportion committee; Mrs. J. B. Pratt of the fancy work committee; Mrs. J. P. Hicks of the social committee, and Mrs. J. J. King of the comfort committee. It was decided to hold an all-night meeting at the church next Tuesday.

Answer to Complaints. In answer to the complaints of automobilists that the coal wagons and other heavily loaded vehicles don't "get out of the way," a driver declared that "we have a kick coming, too."

"We can't pull down to the curb all the time," he said, "if we did, we'd have to lie down on the seat half the time, because the limbs of trees are allowed to hang over so low. Then, automobiles are left 'kitty-cornered' to the curb. We can't cross over onto the street car tracks or to the other side of the street without violating traffic rules—so there we are."

Notes and Persons. Mrs. John P. Pratt has left for St. Joseph, Mo., to visit Mrs. Arthur Small.

Rijah Martin returned Wednesday from a visit to his children in Los Angeles, Cal.

E. R. Hayes is back from Michigan, where he has been on business for his firm.

HE WAS AN EDITOR

New Pastor First M. E. Church Han Newspaper in New Jersey.

From the city editor's desk to the pulpit is the record of Dr. Edward James Kulp, who next week will be pastor of the First M. E. church. He made a distinct success in newspaper work and his record in the pulpit has been as marked, as for 16 years he has occupied the principal pastorates of New Jersey and Missouri.

Dr. Kulp graduated from Dickinson college at Carlisle, Pa. He had no thought of the ministry, but accepted a position on the staff of the Trenton, N. J. Times. The paper was tottering when he entered its service and went to the wall within a few months. Under the new owner, Dr. Kulp was given the city editorship of the paper and by his efforts it became within a short time the leading paper of Trenton. There were no Sunday editions of his paper he often accepted invitations to make short talks on that day.

His success became so evident in this line that he decided to quit newspaper work and enter the ministry.

Dr. Kulp says that "every preacher should have a little newspaper training before he assumes charge of a pastorate."

Dr. Kulp will preach his first sermon in Topeka a week from Sunday.

AT THE THEATERS

The Iris. W. D. Ross, state censor, has killed the picture that week's program at the Iris. The management has sent for "The Posey and the Potato" and "How O'Neil Made a Baby Weep." These don't have to be "censored."

The Orpheum. Willie Collier, Jr., son of the famous Broadway funmaker, is starred in the Orpheum production of "The Triangle." The picture has already become a star in every sense of the word. He has been in several Triangle pictures but "The Bugle Call" now running, is his first top liner.

The story involves the displeasure of young Willie for his stepmother and the climax of the production is when a common danger brings them to a realization of sterling worth. This is the picture which the Orpheum management insists should be seen by the kiddies also.
